# COVID- 19 Testing

**Question:** How is the carrier covering COVID-19 Testing?

Carrier	Response
<p><b>Aetna</b></p>	<p>Aetna is waiving member cost sharing for diagnostic testing related to COVID-19. The test can be done by any authorized testing facility. This member cost-sharing waiver applies to all Commercial, Medicare and Medicaid lines of business. The policy aligns with the Families First and CARES legislation and regulations requiring all health plans to provide coverage of COVID-19 testing without cost share. The requirement also applies to self-insured plans. Per guidance from the Centers for Medicare &amp; Medicaid Services (CMS), the Department of Labor and the Department of the Treasury, all Commercial, Medicaid and Medicare plans must cover COVID-19 serological (antibody) testing with no cost-sharing.</p> <p>Aetna will cover, without cost share, diagnostic (molecular PCR or antigen) tests to determine the need for member treatment.<sup>1</sup> This includes to direct-to-consumer/home-based diagnostic or antigen tests. Aetna’s health plans generally do not cover a test performed at the direction of a member’s employer in order to obtain or maintain employment or to perform the member’s normal work functions or for return to school or recreational activities, except as required by applicable law.</p>
<p><b>Anthem Blue Cross</b></p>	<p>All Anthem plans cover medically necessary COVID-19 testing and the care visit where the test takes place with no out-of-pocket costs. Find a COVID-19 testing location near you by using <a href="#">this tool</a>. Please talk to a doctor first to be certain you need a COVID-19 test. A doctor must order a COVID-19 test for you.</p>

<p><b>Blue Shield of CA</b></p>	<p>During the public health emergency, Blue Shield will cover COVID-19 tests and waive out-of-pocket costs for copays, coinsurance, and deductibles for these tests. But the following conditions must be met:</p> <ul style="list-style-type: none"> <li>• Test must be medically necessary and ordered by a healthcare provider licensed to order COVID-19 tests</li> <li>• Test must be FDA-approved, emergency use authorized, or authorized under other guidance from the Secretary of the Department of Health and Human Services consistent with the federal CARES Act</li> <li>• The test must be processed in accordance with FDA and other applicable guidance.</li> </ul> <p>Out-of-pocket testing costs will be waived during the federal public health emergency. This remains as long as state and federal mandates for the coverage of testing without out-of-pocket costs (copays, coinsurance, or deductibles) still apply.</p> <p>If the test is for an essential worker without symptoms or known or suspected exposure, out-of-pocket costs will apply based on the member’s benefit plan. This means you may be required to pay a copay, coinsurance or deductible for your test as defined by your plan benefits. This is addressed in the DMHC’s emergency regulation.</p> <p>The tests below are covered by Blue Shield and Blue Shield Promise only if the above conditions are met:</p> <ul style="list-style-type: none"> <li>• Diagnostic tests (including self-administered or home test kits)</li> <li>• Antibody or serology tests when used for diagnostic purposes.</li> </ul>
<p><b>CaliforniaChoice</b></p>	<p>Based on the carrier coverage</p>
<p><b>Health Net</b></p>	<p>Health Net is waiving all member cost-sharing requirements including, but not limited to, copayments, deductibles, or coinsurance for all medically necessary screening and testing for COVID-19, including hospital (including emergency department), urgent care visits, and provider office visits where the purpose of the visit is to be screened and/or tested for COVID-19.</p> <p>Testing can be ordered only by physicians or other authorized health care providers.</p> <p>Members seeking testing for COVID-19 should consult with their physician or health care provider who may order the test if they determine the patient meets testing criteria.</p>

Many of these facilities bill Kaiser Permanente directly, so you may not have to pay anything out of pocket. # Leave or Reduction of Hours

**Question: Can employers continue to offer coverage to employees if there is a reduction of hours below full time or employees are not actively at work in response to COVID-19?**

Note: Coverage must be offered and maintained on non-discriminatory basis

Carrier	Response
<b>Aetna/Aetna Health Advantage (NV)</b>	Your employees can maintain their coverage on your Aetna plans so long as (1) the reduction in hours/lay off is a temporary measure resulting from the COVID-19 pandemic; (2) you continue to pay your monthly bill and (3) you do not terminate the employee(s). This option is available to customers until June 30, 2021.
<b>Anthem Blue Cross</b>	Anthem will continue to provide coverage through June 30, 2021 in this situation as long as monthly premium payment is received.
<b>Blue Shield of California</b>	<p>The terms of the group service agreement continue to apply to employee eligibility for coverage.</p> <p>Please refer to your agreement, and note that there are provisions in most group service agreements that may allow for continued coverage for members who are impacted by a temporary suspension of work or temporary reduction of hours in certain circumstances (such as a layoff, furlough, or approved leave of absence), if permitted under the employer’s policies regarding coverage, under the following conditions:</p> <ul style="list-style-type: none"> <li>• If the subscriber ceases active work because of a disability due to illness or bodily injury, or because of an approved leave of absence or temporary layoff, payment of dues for that subscriber shall continue coverage in force in accordance with the employer’s policy regarding such coverage.</li> <li>• If the employer is subject to the California Family Rights Act of 1991 and/or the Federal Family &amp; Medical Leave Act of 1993, and the approved leave of absence is for family leave pursuant to such Acts, payment of dues for that subscriber shall keep coverage in force for the duration(s) prescribed by the Acts. The employer is solely responsible for notifying employees of the availability and duration of family leaves.</li> </ul>
